

THIS IS NOT A REGISTRATION FORM!

Completion of this form is purely for planning purposes only. Submission does not mean that you are committed to undertake a placement in the year that you indicate. However it does mean that we are able to commence initial planning and to maintain contact with you to assist in preparing you for placement. You must still enrol and register in your Social Work Field Education subject.

Please save this form to your computer, complete the section below & email to HumanServices-WPL@csu.edu.au
We will not accept scanned copies of this form.

For any inquiries regarding placement please refer to the school website [School of Humanities & Social Sciences WPL](#) or the Work Place Learning Office HumanServices-WPL@csu.edu.au or phone 02 69332784.

Looking forward to having you involved in Social Work Field Education at CSU
